Education

2009-2013	Postdoctoral Fellow, University of California, Berkeley (Psychology)
2007-2009	Postdoctoral Fellow, University of Jena, Germany (Psychology)
2007	Ph.D., University of Jena, Germany (Psychology)
2003	Diploma, University of Jena, Germany (Psychology, Minor: Sociology)

Positions

Since 2017	Faculty Affiliate, Buffett Institute for Global Studies, Northwestern University
Since 2014	Assistant Professor (by courtesy), Department of Psychology, Northwestern University
Since 2014	Faculty Associate, Institute for Policy Research, Northwestern University
Since 2013	Assistant Professor, Human Development and Social Policy, Northwestern University
Since 2013	Director, Life-Span Development Laboratory, Northwestern University

Dissertation

Haase, C. M. (2007). *Agency and adaptive development in the transition from university to work: A longitudinal study*. Dissertation thesis, University of Jena, Jena, Germany. Available online: www.db-thueringen.de/servlets/DocumentServlet?id=10303

Conference Presentations (Past 5 Years)

Organized Symposia

- Infurna, F. J., & **Haase, C. M.** (2017, May). *In transition: New research on personality and well-being development in adulthood*. Symposium conducted at the 29th Annual Convention of the Association for Psychological Science, Boston, MA.
- Svoboda, R. C., & **Haase, C. M.** (2017, May). *Transitions into the world of work: New insights from motivation science*. Symposium conducted at the 29th Annual Convention of the Association for Psychological Science, Boston, MA.
- Haase, C. M.** (2016, May). *Getting closer: New frontiers in relationship science*. Symposium conducted at the meeting of the Association for Psychological Science, Chicago, IL.
- Levenson, R. W., & **Haase, C. M.** (2015, May). *Brain-behavior circuits and mental health*. Symposium conducted at the meeting of the Association for Psychological Science, New York, NY.
- Haase, C. M.**, & Alexander, N. (2015, March). *New frontiers in gene-environment research*. Symposium conducted at the inaugural meeting of the International Convention of Psychological Science, Amsterdam, Netherlands.
- Levenson, R. W., & **Haase, C. M.** (2013, October). *New frontiers in research on the neurogenetic sources of emotional and stress reactivity*. Symposium conducted at the meeting of the Society for Psychophysiological Research, Florence, Italy.

Presentations

- Wells, J. L., Brown, C. L., Hua, A. Y., Chen, K., **Haase, C. M.**, Levenson, R. W. (October, 2017). Caregivers' 5-HTTLPR genotype moderates the impact of patients' empathic accuracy deficits on caregivers' mental health. Poster presented at the American Psychosomatic Society's Mid-Year Meeting, Berkeley, CA. ** Selected for data blitz presentation.
- Haase, C. M.**, Verstaen, A., Bloch, L., Lwi, S. J., Saslow, L. R., Svoboda, R. C., Hittner, E., & Levenson, R. W. (2017, July). Positive emotions in marriage: Novel findings from longitudinal data and diverse samples. Talk at the biennial meeting of the International Society of Research on Emotion, St. Louis, MO.
- Bae, K. K., Wu, D. J., Svoboda, R. C., & **Haase, C. M.** (2017, May). Emotional coherence between facial expressions and heart rate is positively linked to age. Poster presented at the 29th Annual Convention of the Association for Psychological Science, Boston, MA.
- Hittner, E. H., Thelen, J. E., Sevilla, L. L., & **Haase, C. M.** (2017, May). Stressful life events and power motivation: A laboratory-based Study. Poster presented at the 29th Annual Convention of the Association for Psychological Science, Boston, MA.
- Huang, D. B., Svoboda, R. C., & **Haase, C. M.** (2017, May). Positive emotions in response to an affiliation film clip: Associations with well-being. Poster presented at the 29th Annual Convention of the Association for Psychological Science, Boston, MA.
- Pachicano, J. B., Svoboda, R. C., & **Haase, C. M.** (2017, May). The relationship between language during marital conflict and marital satisfaction. Poster presented at the 29th Annual Convention of the Association for Psychological Science, Boston, MA.
- Rim, K. L., Hittner, E., & **Haase, C. M.** (2017, May.) Cognitive reappraisal and anxiety: Socioeconomic status as a moderator. Poster presented at the 29th Annual Convention of the Association for Psychological Science, Boston, MA.
- Shay, O. S., Je, M., & Haase, C. M. (2017, May). Negative emotions during marital conflict and child problem behaviors. Poster presented at the 29th Annual Convention of the Association for Psychological Science, Boston, MA.

- Stephens, J.E., Coffman, S., & **Haase, C. M.** (2017, May). The autonomic physiology of generativity: Evidence from a laboratory-based study. Poster presented at the 29th Annual Convention of the Association for Psychological Science, Boston, MA.
- Haase, C. M.**, Holley, S. R., Bloch, A., Verstaen, A., Lwi, S. J., Rothwell, & Levenson, R. W. (2017, May). Emotion in couples: Developmental changes, sources, and consequences. In J. K. Monin (Chair), *Interpersonal processes and health in late life marriage*. Symposium conducted at the 29th Annual Convention of the Association for Psychological Science, Boston, MA.
- Svoboda, R. C., & **Haase, C. M.** (2017, May). The longitudinal associations between intrinsic motivation, goal engagement, and success during the transition into work. In R. C. Svoboda, & C. M. Haase (Chairs), *Transitions into the world of work: New insights from motivation science*. Symposium conducted at the 29th Annual Convention of the Association for Psychological Science, Boston, MA.
- Haase, C. M.**, & Infurna, F. J. (2017, May). How does marriage affect well-being? A test of competing models. In F. J. Infurna, & C. M. Haase (Chairs), *In transition: New research on personality and well-being development in adulthood*. Symposium conducted at the 29th Annual Convention of the Association for Psychological Science, Boston, MA.
- Wu, D.J., Bae, K.K., Svoboda, R.C., & **Haase, C.M.** (2017, April). Coherence among behavior and physiology during sadness responding: Associations with age and well-being. Poster presented at the Society for Affective Science, Boston, MA. ** Selected for poster spotlight presentation.
- Haase, C. M.**, Verstaen, A., Bloch, L., Lwi, S. J., Saslow, L. R., Svoboda, R. C., Hittner, E., & Levenson, R. W. (2017, April). Positive emotions in marriage: Changes, consequences, and contexts. Talk at the Positive Emotions Pre-conference at the Society for Affective Science, Boston, MA.
- Haase, C. M.** (2017, April). Money matters: Putting couples' emotion in socioeconomic context. Poster presented at the Society for Affective Science, Boston, MA.
- Chen, K., Lwi, S. J., Hua, A. Y., Otero, M., Casey, J. J., **Haase, C. M.**, Miller, B., & Levenson, R. W. (2017, April). Diminished physiological response to "task instructions" in behavioral variant frontotemporal dementia. Abstract presented (oral presentation) at the Society for Affective Science, Boston, MA.
- Chen, K., Hua, A. Y., Lwi, S. J., **Haase, C. M.**, Rosen, H. J., Miller, B. L., & Levenson, R. W. (2017, March). Increased subjective experience of non-target emotions and neuroanatomical correlates in patients with frontotemporal dementia and Alzheimer's disease. Abstract presented at the Annual Meeting of the Social and Affective Neuroscience Society, Los Angeles, CA.
- Bae, K. K., Wu, D. J., Svoboda, R. C., & **Haase, C. M.** (2017, January). Emotional coherence between facial expressions and heart rate for sadness is positively linked to age. Poster presented at the Annual Convention of the Society for Personality and Social Psychology, San Antonio, TX.
- Rim, K., Hittner, E., & **Haase, C. M.** (2017, January). Associations between cognitive reappraisal and anxiety: Socioeconomic status as a moderator. Poster presented at the Annual Convention of the Society for Personality and Social Psychology, San Antonio, TX.
- Svoboda, R. C., & **Haase, C. M.** (2017, January). The longitudinal associations between intrinsic motivation, goal engagement, and success during the transition into work. Poster presented at the Annual Convention of the Society for Personality and Social Psychology, San Antonio, TX.
- Haase, C. M.** (2016, August). The value of primate models for interpreting findings in the relationship sciences. In M. Geraldts (Chair), *Developing informed primate models of human aging*. Symposium conducted at the joint meeting of the International Primatological Society and the American Society of Primatologists. Chicago, IL.
- Haase, C. M.** (2016, July). Mysteries of love: Emotions in intimate relationships. International Congress of Psychology, Yokohama, Japan. ** Invited speaker
- Rim, K., Svoboda, R., Thomas, S. E., Wu, D. J., & **Haase, C. M.** (2016, May). Anxiety symptoms and autonomic functioning in response to happy and sad film clips: A laboratory-based study. Poster presented at the 28th Annual Convention of the Association for Psychological Science, Chicago, IL.
- Wu, D. J., Bae, K. K., Svoboda, R. C., Reitmeier, M., Thomas, S. E., & **Haase, C. M.** (2016, May). Emotional coherence between facial expressions and heart rate is associated with well-being. Poster presented at the 28th Annual Convention of the Association for Psychological Science, Chicago, IL.
- Haase, C. M.**, & Levenson, R. W. (2016, May). Thin slicing emotions in close relationships to predict well-being and health: A 20-year longitudinal study of long-term married couples. In C. M. Haase (Chair), *Getting closer: New frontiers in relationship science*. Symposium conducted at the 28th Annual Convention of the Association for Psychological Science, Chicago, IL.
- Haase, C. M.**, Heckhausen, J., Silbereisen, R.K., Wrosch, C., & Poulin, M. J. (2016, May). The interplay of motivation and well-being: Findings from four longitudinal studies of U.S., Canadian, and German youth navigating the transition into work. In F. Infurna (Chair), *What are the consequences of significant life adversity and factors that promote resilience, adaptation, and growth?* Symposium conducted at the 28th Annual Convention of the Association for Psychological Science, Chicago, IL.

- Peckham, A. D., **Haase, C. M.**, Johnson, S. L., Carver, C. S., Tharp, J. (2016, May). Emotion-relevant impulsivity: Transdiagnostic relevance and new opportunities for treatment. In S. L. Johnson (Chair), *Emotion-relevant impulsivity: Theory, measurement, and applicability across diagnoses*. Symposium conducted at the 28th Annual Convention of the Association for Psychological Science, Chicago, IL.
- Magro, S. M., Svoboda, R. C., Thomas, S. E., & **Haase, C. M.** (2016, March). Big Five personality traits predict emotional reactivity. Poster presented at the annual conference of the Society for Affective Science, Chicago, IL. (also presented at the annual meeting of the Midwestern Psychological Association, Chicago, IL)
- Beermann, U., **Haase, C. M.**, Saslow, L. R., Shiota, M. N., Saturn, S. R., Lwi, S., Casey, J. J., Nguyen, N. K., Whalen, P. K., Keltner, D., & Levenson, R. W. (2015, July). Effects of 5-HTTLPR on smiling and laughing behavior: Evidence from three studies using the Facial Action Coding System. Presentation at the Meeting of the International Society for Humor Studies Conference, Oakland, CA.
- Reitmeier, M. E., Svoboda, R., Thomas, S. E., Roosen, J., & **Haase, C. M.** (2015, May). Emotional eating: Emotion reactivity and food consumption in younger and older adults. Poster presentation at the Meeting of the Association for Psychological Science, New York, NY.
- Svoboda, R. C., Silbereisen, R. K., Reitmeier, M. E., Thomas, S. E., Heckhausen, J., & **Haase, C. M.** (2015, May). Achievement and power motivation as sources of work engagement in younger and older adults. Poster presentation at the Meeting of the Association for Psychological Science, New York, NY.
- Thomas, S. E., Lwi, S., Svoboda, R., Reitmeier, M. E., Newton, S., Levenson, R. W., & **Haase, C. M.** (2015, May). With age comes greater sadness expression: A two-study investigation of age differences in facial expressions. Poster presentation at the Meeting of the Association for Psychological Science, New York, NY.
- Haase, C. M.**, Bloch, L., Alexander, N., Svoboda, R., Thomas, S., & Levenson, R. W. (2015, May). Emotion regulation during marital conflict, marital satisfaction, and mental health: Concurrent and longitudinal associations. In J. K. Monin (Chair), *Interpersonal Emotion Regulation in Close Relationships*. Symposium conducted at the meeting of the Association for Psychological Science, New York, NY.
- Haase, C. M.**, Heckhausen, J., Silbereisen, R.K., Aviram, T., Wrosch, C., & Poulin, M. J. (2015, May). Motivation and well-being during the transition into work: Findings from four longitudinal studies. In J. Shane & J. Heckhausen (Chairs), *Motivation and career development through adulthood*. Symposium conducted at the meeting of the Association for Psychological Science, New York, NY.
- Holley, S. R., Sapozhnikova, A., **Haase, C. M.**, & Levenson, R. W. (2015, May). Genetic influences on tendencies to withdraw during conflict. In S. R. Holley & B. R. Baucom (Chairs), *Recognizing, regulating, and reciprocating: Associations between emotion regulatory processes and demand-withdraw behavior*. Symposium conducted at the meeting of the Association for Psychological Science, New York, NY.
- Lwi, S., **Haase, C. M.**, Beermann, U., Saslow, L. R., Shiota, M. N., Saturn, S. R., Casey, J. J., Nguyen, N. K., Whalen, P. K., Keltner, D., & Levenson, R. W. (2015, April). Short alleles, bigger smiles? Effects of 5-HTTLPR on positive emotional expressions. Poster presentation at the Meeting of the Society for Affective Science, Oakland, CA. ** Best poster award
- Verstaen, A., Eckart, J.A., Muhtadie, L., Otero, M.C., **Haase, C. M.**, Sturm, V.E., Miller, B.L., & Levenson, R.W. (2015, April). Disgust reactivity and the insula. Poster session presented at the Society for Affective Science, Oakland, CA.
- Haase, C. M.**, Gyurak, A., Saslow, L., Beermann, U., & Levenson, R. W. (2015, March). Pathways toward differential susceptibility: The case of 5-HTTLPR and emotional reactivity. In C. M. Haase & N. Alexander (Chairs), *New frontiers in gene-environment research*. Symposium conducted at the inaugural meeting of the International Convention of Psychological Science, Amsterdam, Netherlands.
- Haase, C. M.** (2015, January). *Emotion in couples*. Talk at the Center on Social Disparities and Health, Institute for Policy Research, Northwestern University, Evanston, IL.
- Haase, C. M.** (2014, December). *The bright side of aging*. Invited talk at the Technical University Munich, Munich, Germany.
- Haase, C. M.** (2014, November). *The bright side of aging*. Talk at the Institute for Policy Research, Northwestern University, Evanston, IL.
- Reitmeier, M. E., **Haase, C. M.**, & Roosen, J. (2014, October). From stress to fun - How life transitions predict the likelihood of choosing novel food brands and changing preferences. Presentation at the 2014 Association for Consumer Research North American Conference, Baltimore, MD.
- Knobloch-Fedders, L. M., Pinsof, W. M., & **Haase, C. M.** (2014, September). Treatment response in couple therapy: Relationship adjustment and individual functioning change processes. Talk at the Family Institute, Evanston, IL.
- Haase, C. M.**, Bloch, L., & Levenson, R. W. (2014, September). Emotion regulation during marital conflict and mental health: Concurrent and longitudinal associations. In M. N. Shiota (Chair), *Implications of close relationship processes and mechanisms for emotion: A psychophysiological perspective*. Symposium conducted at the Meeting of the Society for Psychophysiological Research, Atlanta, GA.

- Reitmeier, M. E., & **Haase, C. M.** (2014, August). How life transitions predict novel food choices among older adults. Talk at the Mini-Conference on Consumers and Consumption, "Farm to Table," sponsored by the American Sociological Association Section on Consumers and Consumption. Berkeley, CA.
- Haase, C. M.**, Gyurak, A., Saslow, L. R., Beermann, U. & Levenson, R. W. (2014, May). Effects of 5-HTTLPR on negative and positive emotional reactivity: Experimental and longitudinal evidence. In S. F. Waters & L. Mutahdie (Chairs), *Reciprocal influences of environment and behavior*. Invited symposium conducted at the Meeting of the Association for Psychological Science, San Francisco, CA.
- Beermann, U., **Haase, C. M.**, Nusslock, R., & Levenson, R. W. (2014, May). Amusement reactivity in patients with frontotemporal dementia. Poster presentation at the Meeting of the Association for Psychological Science, San Francisco, CA.
- Haase, C. M.**, Bloch, L., & Levenson, R. W. (2014, April). Emotion regulation during marital conflict: Concurrent and longitudinal links with anxiety and depression. Poster presentation at the Meeting of the Society for Affective Science, Bethesda, MD.
- Lwi, S. J., **Haase, C. M.**, & Levenson, R.W. (2014, April). Emotions predict changes in empathic accuracy: A 20-year longitudinal study of married couples. Poster presentation at the Meeting of the Society for Affective Science, Bethesda, MD.
- Quoidbach, J., **Haase, C. M.**, & Piff, P. (2014, February). Savoring the present to cope with the unpredictable future. Talk at the Happiness and Well-Being Pre-Conference of the at the Meeting of the Society for Personality and Social Psychology, Austin TX.
- Verstaen, A., **Haase, C. M.**, & Levenson, R. W. (2014, February). It keeps getting better: Changes in emotional behavior over a 13-year longitudinal study of married couples. Poster presentation at the Meeting of the Society for Personality and Social Psychology, Austin, TX.
- Muhtadie, L., **Haase, C. M.**, & Levenson, R. W. (2014, February). The insular cortex and expressive suppression: Insights from using neurodegenerative disease as a lesion model. Poster presentation at the Meeting of the Society for Personality and Social Psychology, Austin, TX.
- Lwi, S., **Haase, C. M.**, & Levenson, R. W. (2014, February). More sadness, less loneliness: The benefits of responding compassionately in late life. Poster presentation at the Meeting of the Society for Personality and Social Psychology, Austin, TX.
- Haase, C. M.** (2014, February). Light and shadow in life-span development: Some new research findings. Talk at the Clinical Psychology Brown Bag, Evanston, IL.
- Haase, C. M.** (2013, December). Studying emotions in a 20-year study of long-term married couples. Talk at the Family Institute, Evanston, IL.
- Haase, C. M.**, Saslow, L. R., Bloch, L., Saturn, S. R., Casey, J., Seider, B. H., Lane, J., Coppola, G., & Levenson, R. W. (2013, October). The 5-HTTLPR polymorphism in the serotonin transporter gene moderates the effect of stress on declines in marital satisfaction over 13 years. In R. W. Levenson & C. M. Haase (Chairs), *New frontiers in research on the neurogenetic sources of emotional and stress reactivity*. Symposium conducted at the meeting of the Society for Psychophysiological Research, Florence, Italy.
- Piff, P. K., & **Haase, C. M.** (2013, September). Be here now: Dealing with disorder by savoring the present. Poster presentation at the Meeting of the Society for Experimental Social Psychology. Berkeley, CA.
- Haase, C. M.** (2013, September). All you need is love? Examining emotions in a 20-year study of long-term married couples. Talk at the GSBC Brown Bag Seminar, Jena, Germany.
- Villeneuve, S., Reed, B., Madison, C., Wirth, M., Kriger, S., **Haase, C. M.**, Marchant, N., deCarli, C., Chui, H., Weiner, M., & Jagust, W. J. (2013, July). The impact of beta-amyloid deposition and vascular risk factors on cortical thickness and cognition. Poster presentation at the Alzheimer's Association International Conference, Boston, MA.
- Wirth, M., **Haase, C. M.**, Villeneuve, S., Madison, C. M., Oh, H., & Jagust, W. J. (2013, July). Relationships between cognitive activity, AD pathological biomarkers, and global cognitive functioning in normal older adults. Poster presentation at the Alzheimer's Association International Conference, Boston, MA.
- Villeneuve, S., Reed, B., Madison, C., Wirth, M., Kriger, S., **Haase, C. M.**, Marchant, N., Mack, W., Sanossian, N., DeCarli, C., Chui, H., Weiner, M., & Jagust, W. J. (2013, June). Vascular risk and cerebral β -amyloid interact to reduce cortical thickness, Alzheimer's Researchers' Symposium, Berkeley, CA. Alzheimer's Association Award.
- Wirth, M., Villeneuve, S., **Haase, C. M.**, Vogel, J., & Jagust, W. J. (2013, June). Cognitive and physical activity, Alzheimer's disease pathological biomarkers and cognitive functioning in cognitively normal older adults. Alzheimer's Researchers' Symposium. Berkeley, CA.
- Verstaen, A., Holley, S., **Haase, C. M.**, & Levenson, R. W. (2013, January). Chicken or the Egg? The longitudinal associations between marital satisfaction and physical health. Poster presentation at the meeting of the Society for Personality and Social Psychology, New Orleans, LA.

- Verstaen, A., **Haase, C. M.**, Gill, L. B., Holley, S., & Levenson, R. W. (2012, November). A tale of specificity: Anger and stonewalling as predictors of cardiovascular and musculoskeletal symptoms. Poster presentation at the BCRN conference, "Decision Making and Emotion Regulation during Life-Span Transitions", Berkeley, CA.
- Lwi, S. J., **Haase, C. M.**, Newton, S. L., & Levenson, R. W. (2012, November). Glad to be sad: Age differences in facial behavior and social adjustment. Poster presentation at the BCRN conference, "Decision Making and Emotion Regulation during Life-Span Transitions", Berkeley, CA.
- Haase, C. M.**, Saslow, L. R., Bloch, L., Rodrigues, S. M., Casey, J. J., Seider, B. H., Coppola, G., Lane, J., & Levenson, R. W. (2012, January). The 5-HTTLPR polymorphism in the serotonin transporter gene moderates the association between stress and declines in marital satisfaction. Poster presentation at the meeting of the Society for Personality and Social Psychology, San Diego, CA.
- Aviram, T., **Haase, C. M.**, Wrosch, C., Silbereisen R. K., & Heckhausen, J. (2012, January). *Moving on after a block in the road: Well-being as a resource for the capacity to reengage in new goals*. Poster presentation at the meeting of the Society for Personality and Social Psychology, San Diego, CA.

Grants and Awards

- | | |
|-----------|--|
| 2018-2020 | Brain & Behavior Research Foundation, NARSAD Young Investigator Grant "Emotion, Mental Health, and the Epigenetic Clock in High-Risk Caregivers" (Role: PI) – \$70,000 |
| 2017-2019 | Northwestern University, I3 "Managing Stressful Burden to Attain Both Healthful Lifestyle and Medical Regimen Adherence by Cancer Survivors" (PI: Bonnie Spring, Role: Team member) – \$95,000 (year 1); \$95,000 (year 2) |
| 2017-2019 | National Institute of Health, R21 "High-Risk Psychosis Youth and Caregivers: Emotion in Interaction" (Role: PI) – \$237,000 (year 1); 197,500 (year 2) |
| 2017-2018 | Retirement Research Foundation, "Promoting Emotion Regulation to Enhance Cognitive Functioning in Older Adults" (Role: PI) – \$99,956 |
| 2017 | National Cancer Institute and Cancer Research UK, Sandpit on Knowledge Integration Across Health Domains, Professions, and Nations to Advance Cancer Prevention (Role: Participant) |
| 2017 | Northwestern University, School of Education and Social Policy Global Initiative Travel Award for Assistant Professor Involvement in Global Research (Role: PI) |
| 2014 | Northwestern University, School of Education and Social Policy Global Initiative Award for Global Research and Seed Funding (Role: PI) |
| 2009-2011 | German Research Foundation (DFG), Postdoctoral research fellowship |
| 2008-2009 | University of Jena, Research grant "Affective influences on decision-making in adolescence and adulthood" (Role: PI) |
| 2008 | German Research Foundation (DFG), Conference grant (Role: Co-PI) |
| 2008 | University of Jena, Dissertation award |
| 2004-2007 | German National Academic Foundation, Doctoral fellowship |
| 1999-2003 | German National Academic Foundation, Diploma fellowship |

Research Experience

- | | |
|--------------|---|
| 2013-Present | Director, Life-Span Development Laboratory, Northwestern University
See https://haaselab.sesp.northwestern.edu |
| 2009-2013 | Postdoctoral Research Fellow, Department of Psychology, University of California, Berkeley (PI: Robert W. Levenson)
2012-2013: R01 "Burden, Depression, and Health in Dementia Caregivers: The Role of Emotion"; PI: Robert W. Levenson; funded by National Institute on Aging
2011-2013: Behavioral Change Research Network; funded by the office of the Dean of Letters and Science, University of California, Berkeley |

- 2009-2011 “The Role of Emotion for Goal Engagement and Goal Disengagement in Human Development”; PI: Claudia Haase; funded by the German Research Foundation
- 2004-2009 Research Associate, Center for Applied Developmental Science (CADS) and Department of Developmental Psychology, University of Jena, Germany (PI: Rainer K. Silbereisen)
 “PATHWAYS: Comparative analysis of productive youth development”; funded by the Jacobs Foundation
 “Affective influences on decision-making in adolescence and adulthood”; PI: Claudia M. Haase; funded by the University of Jena
 “Individual and social resources for coping with social change: Development and psychosocial effects”; PI: Rainer K. Silbereisen; funded by the German Research Foundation, Program Project Grant SFB 580
- 2002-Present Research Collaboration, University of California, Irvine (PI: Jutta Heckhausen)
 “Transition to adulthood in the United States”; PI: Jutta Heckhausen, Ellen Greenberger, Chuansheng Chen, & C. David Dooley
 “Transition to adulthood in Germany”; PI: Jutta Heckhausen & Olaf Köller; funded by the German Research Foundation
- 2000 Research Intern, Max Planck Institute of Human Development, Berlin
 “Life-span development: Selective optimization with compensation”; PI: Paul B. Baltes, Alexandra M. Freund, & Ralf Krampe
- 2000-2001 Research Assistant, University of Jena
 “Motivation and biographies of xenophobic violent offenders”; PI: Wolfgang Frindte & Jörg Neumann; funded by the Volkswagen Foundation

Editorial and Review Activities

Editorial Board

Emotion; International Journal of Behavioral Development; International Journal of Psychology; Review of General Psychology

Action Editor

SAGE Open

Grant Reviewer

German Research Foundation; National Science Foundation; Swiss National Science Foundation

Journal Reviewer

Annals of Behavioral Medicine; Brain and Behavior; Child Development; Cogent Psychology; Developmental Psychology; Educational Psychology; Emotion; Emotion Review; European Journal of Developmental Psychology; European Journal of Psychology of Education; F1000Prime Reports; Gerontology; International Journal of Behavioral Development; International Journal of Psychology; Journal of Adolescence; Journal of Adolescent Research; Journal of Adult Development; Journal of Affective Disorders; Journal of Alzheimer's Disease; Journal of Cross-Cultural Psychology; Journal of Experimental Psychology: General; Journal of Gerontology: Psychological Sciences; Journal of Individual Differences; Journal of Personality; Journal of Social and Personal Relationships; Journal of Youth and Adolescence; Learning and Instruction; Personality and Social Psychology Bulletin; Perspectives on Psychological Science; Psychiatry Research; Psychology and Aging; Psychophysiology; SAGE Open; Research in Human Development; Scandinavian Journal of Psychology; Social Neuroscience; Social Psychological and Personality Science; Zeitschrift für Entwicklungspsychologie und Pädagogische Psychologie

Professional Societies

American Psychological Association – Division 20 (Adult Development and Aging)
 Association for Psychological Science
 Deutsche Gesellschaft für Psychologie
 International Society for Research on Emotion
 Society for Affective Science
 Society for Psychophysiological Research

Teaching

Northwestern University

Adult Development and Aging (HDSP 404 graduate course)
 Emotional Mysteries (HDPS 351 undergraduate course)
 Adult Development and Aging (SESP 203 undergraduate course)

University of California, Berkeley

Structural Equation Modeling (Graduate workshop)
 Multidisciplinary Perspectives on the Study of Behavior Change (Graduate course)

University of Jena, Germany

Development of the Self in Adolescence (Diploma course)
 Developmental Regulation in Adulthood (Diploma course)
 Affect and Decision-Making in Adolescence and Adulthood (Diploma/graduate course as part of exchange program between Pennsylvania State University and the University of Jena funded by the German Academic Exchange Service)
 The Many Faces of Autonomy in Adolescence and Beyond (Diploma course)

University of Erfurt, Germany

Study of Developmental Processes (Graduate course)

Advising

Doctoral Students

Since 2016	Jacquelyn Stephens (Northwestern University)
Since 2014	Emily Hittner (Northwestern University)
Since 2014	Ryan Svoboda (Northwestern University)
2014-2016	Martina Reitmeier (TU Munich, Germany)
2014	Clemens M. Lechner (University of Jena, Germany; dissertation committee)

Diploma and Masters Students

2009	Nicole Briese (University of Erfurt, Germany; masters thesis, advisor)
2008	Jana Hädicke (University of Jena, Germany; diploma thesis, advisor)

Undergraduate Students

See <https://haaselab.sesp.northwestern.edu/people>

Service

2019	International Union of Psychological Science (IUPsyS) Jury member for the Young Investigator Award
------	--

Northwestern University

- 2017-2018 Faculty search committee, Adolescent Development/Emerging Adulthood, Human Development and Social Policy program
- 2017-2018 Assistant professor community building committee, School of Education and Social Policy
- 2016-2017 Faculty search committee, Human Neuroscience, Department of Psychology
- Since 2016 Faculty fellow, Shepard Residential College
- Since 2013 Undergraduate programs committee, School of Education and Social Policy

Co-Organization of Colloquium Series, Workshops, and Conferences

- 2017 Conference "Social Relations across the Life Span", funded by the Global Initiative and Institute for Policy Research; Northwestern University
- 2017 Laura Carstensen: Lecture in Honor of Bernice Neugarten; Northwestern University
- 2014-2015 Human Development and Social Policy Colloquium Series, School of Education and Social Policy, Northwestern University
- 2013 Conference "Decision Making and Emotion Regulation during Life-Span Transitions" (Focus on Applied Research), funded by the National Institute on Aging and hosted by the Behavior Change Research Network; Berkeley, California
- 2012 Conference "Decision Making and Emotion Regulation during Life-Span Transitions" (Focus on Basic Research), funded by the National Institute on Aging and hosted by the Behavior Change Research Network; Berkeley, California
- 2010-2012 Institute of Personality and Social Research Colloquium Series, University of California, Berkeley
- 2008 Workshop "Social change and human development. Concepts and results", University of Jena, Germany; funded by the German Research Foundation
- 2007 13th European Conference on Developmental Psychology, University of Jena, Germany
- 2007 Conference "Transition from school to work", Marbach, Germany; funded by the Jacobs Foundation
- 2006 Workshop "Developmental regulation across the life span: Applications of the OPS model", University of Jena, Germany; funded by CADS
- 2006 Workshop series "Studies in developmental science", University of Jena, Germany
- 2005 Workshop "Agency and human development under conditions of social change", University of Jena, Germany; funded by CADS and SFB 580

Curriculum Co-Development

- 2008-2009 Interdisciplinary Ph.D. Program, CADS, Jena Graduate School "Human Behaviour in Social and Economic Change"

October 2017
